

Is Your Yard Overly Fire-friendly?

Zoom Presentation

Firewise Landscaping!

Sponsored by

Kensington Fire Safe, KenTal Garden Club, Trees KenTal and KenTal Community Association

Year-round fire season means gardening for fire safety year-round too. San Diego Master Gardener, writer and lecturer, Cindy Bruecks, will cover how to prep your land and plants, and your home's exterior, and even provide paperwork to give you the best chance of fending off flying embers. Everyone in our neighborhood is near a wildland boundary, and hence in harm's way. Join us for this horticulturist's view of fire readiness.

Wednesday, November 17th. 7 - 8 PM

RSVP at kensingtonfiressafe.org or at QR code below and we'll send you the Zoom link. Questions? info@kensingtonfiressafe.org

You and your home will be glad you came!
