

BE A VOLUNTEER AND SUPPORT OUR WONDERFUL COMMUNITY

SPECIAL APPEAL to Talmadge-knowledgeable neighbors – WE NEED YOU! We have experienced quite a turnover in Talmadge – Due to moving, we've lost many neighbors & seasoned volunteers, but many new neighbors have moved here to Talmadge – exciting! These new neighbors are more likely to volunteer into the needed roles, if they can quickly familiarized with the opportunities. Volunteering is the easiest way for neighbors to meet neighbors and for folks to become part of their community. Thus, we are looking for a few Talmadge-knowledgeable neighbors to act as **Talmadge Volunteer Coordinators** and help prospective volunteers familiarize and find their "volunteer-fit". If you have lived in Talmadge a while and would enjoy a role which interacts with the new neighbors joining our community, please consider becoming a TVC!!

JOIN US! – YOUR VOLUNTEERISM MATTERS!

Just imagine.... If each household in Talmadge would volunteer just 1 hour each month, or 2 hours bi-monthly, then Talmadge would benefit from over 3000 volunteer hours/month – WOW!! Just a fraction of that would make a huge difference. There are too few volunteers stitching to keep our vital organizations and events supported. PLEASE Talmadgians, explore the website to learn more and consider what you would enjoy doing for your neighborhood....then step up and VOLUNTEER!! It's Rewarding & FUN!
